

toolbox INDIA
Value Circle

Reimagine the world of possibilities

About: toolbox INDIA

toolbox INDIA Foundation works as a **catalyst** to provide **capacity building** assistance to **non-profit organisations** through its portfolio of **highly skilled volunteers**.

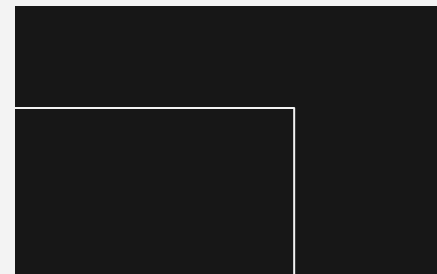

Over the last 10 years, toolbox INDIA has been constantly refining its practices to **address challenges** and seeking to **bridge the skills gap** between the **social and corporate sectors**.

What is the **Value Circle**?

The **Value Circle** at toolbox INDIA is committed towards stitching our existing family of organizations into a more **formalized community network**. As a member of the community you will become a part of the **enhanced circle** which largely **aims at adding value** to your **fundraising capability, improving online visibility** and having a **guided leadership forum**.

toolbox INDIA

Reimagined

Sustainable Change

Building Visibility

Our Offerings

Pitch Perfect: Fundraising Pitch

Building **effective pitches** for the purpose of **fundraising**, the toolbox tank aims to help organisations **strengthen** their written and oral fundraising collaterals. Designed to strengthen the **story telling** narrative and **their impact**, this program allows to **blend communication** elements for an effective narrative that will **improve** your **capability to fundraise**.

Modern Billboard: Website Development

Modern Billboard is a **DIY offering** that allows resource strapped organizations reduce dependencies on external providers to **build** their **websites** at **optimal costs** to the organisation. You can **build competencies** to manage your website and keep it **dated** with **live information** at **zero maintenance cost**.

The CEO Circle: Guided Leadership

The CEO circle is a peer exchange forum guided by leadership experts. This forum aims to bring in **practical leadership** coaching through **learnings, navigating leadership challenges** in the **post COVID** times and how leaders can be **better equipped** to deal with **altered work environments**.

Unified Communication: Building Visibility

Driving visibility for the cohort of the NPOs that toolbox INDIA aims to support through a **unified communication strategy**. Our aim is to build better visibility for your organisation through a **wider audience reach**. toolbox INDIA will **design and execute** cohort level **structured strategy** that communicates and draws attention to **your cause** and the **impact** of your **organisation's work**.
